

CRAZY CIRCLES

supercamps.co.uk

INSTRUCTIONS:

You will need to decide what circular objects such as cups you are doing to use.

This next step is very simple, all you need to do is dip the circular object into the paint and print it onto the paper.

Repeat this to make your picture, you can overlap circles or make patterns.

EQUIPMENT:

- ☐ Paint
- ☐ Paper Plates
- ☐ Paper
- ☐ Cups
- ☐ Any other circular objects

GIVE THIS A TRY

If the weather is nice, do this activity outside and see what large circular objects you can find.

Try and find circles that are different sizes.

Can you make the Olympic rings?
