

INSTRUCTIONS:

You will need to collect some natural materials from outside for this activity. Including a stick for your wand! **Remember not to pick leaves or flowers from living plants!**

Once you have gathered your resources you can now decorate your wand however you would like to.

Remember you may want to use certain resources to represent certain powers your wand may have.

EQUIPMENT:

- Sticks
- Cello tape/Glue
- Natural resources

DID YOU KNOW?

Historically some people believed that trees had special powers. They said that a wand made from the wood of a tree, captured the trees powers and transferred the magic to the wand bearer!
