

INSTRUCTIONS:

You will need to create teams and will need a 'Quiz Master'.

Get the Quiz Master to spread cones around the hall or outdoor space placing the slips of paper under the cones/objects.

One person from each team will go at a time and be against players.

Read out the Quiz questions if a person knows the answer they need to stand up as quickly as possible and say the correct answer.

If they are right, they are able to choose a cone and gain the points that are underneath it. If a player chooses a cone and the word OUT is underneath they are out and gain NO points.

EQUIPMENT:

- Cones (or similar objects)
- Paper
- Pen/Pencils

TOP TIP:

Before you start the game, think of around 20 different quiz questions or challenges. Write these down.

You will need to write the word 'OUT' on approximately 5 small bits of paper.

You will also need to create points or amounts of money on the some of pieces of paper.

This game works best with two or more people.
