

TWO SHEET PAPER CHAIN

CHALLENGE:

Part One: You need to make the piece of paper longer than it already is- how are you going to do this? You can only have two bits of paper.

Part Two: Now you can make the paper longer you need to get two new pieces of paper.

You need to use these pieces of paper to make the longest paper chain you can. In addition you can only use 1 metre of cello tape to complete your paper chain.

If you are doing this with someone else, when you have used all your paper, lie the paper chains on the floor and see who has made the longest one.
