

SPARKY- CREATIVITY MONSTER FACE

INSTRUCTIONS:

You will need a partner for this game. When you have your partner stand opposite them.

You will need to think of a silly monster face to pull (don't show your partner yet!)

The idea is that they will pull their monster face and try to make their partner laugh, the last person left not laughing with their monster face wins.

Count down from 3 then all the children pull their monster faces at their partners.

Stand back and watch as they all giggle at each other's silly faces!

The last person left pulling their face, not laughing is the winner!
